WHEELBARROWS

Rugged, reliable and made for heavy loads.

The Workman Wheelbarrow Range includes powder-coated and galvanised models, with options for solid or pneumatic tyres and various tray sizes to suit gardeners, builders and equestrian users. The updated 90 Litre Galvanised Workhorse now features a stamped tray with the Workman name, a sleek black powder-coated frame and bi-material grip handles for extra comfort.

All wheelbarrows come with a two-year warranty with spare parts available.
